# HOA Dining Out

Dining Out is a monthly event which gives HOAers an opportunity to try a new restaurant, or return to an old favorite. This is a great opportunity to meet people, make lasting friends and explore culinary options in the area.

Each dinner is planned by a volunteer at a restaurant of their choice. Events usually begin with a social/cocktail hour and venues range from local favorites to popular national chains.

Sign up to attend Dining Out dinners on TellicoLife. Attendance is often limited, depending on the restaurant's capacity.

If you'd like to plan a Dining Out event or have any questions, contact the Dining Out coordinator listed below.
