Join us for an evening with Denise Campbell (VIP Concierge) from Goosecross Cellars. Goosecross is located in Yountville, California, the heart of Napa Valley. Wines from Yountville are among Napa's most elegant, refined and intricate creations. Their elegance comes from Yountville's more easterly position, close to the Napa river, which consistently experiences both fog and wind.

You will be welcomed with a pour of Goosecross Sauvignon Blanc. During this premium tasting, we will enjoy three unique pairings. The first pairing is from the Carneros region - Rosé and Pinot Noir. The second pairing showcases two unique wines - Tempranillo and Branta (Cabernet Sauvignon Blend), and the third pairing compares two distinct Cabernet Sauvignons - one from the valley floor (Oakville) and one from the Eastern Mountain Range of Napa Valley (Atlas Peak).

There will be a special dinner prepared by the Chef and we will communicate those details nearer to the tasting date. Everyone who stays for dinner will receive a glass of a Goosecross red or white wine to accompany their dinner.

Please join us for this wonderful Napa experience!
