

WINERY TOUR DAY TRIP

Wednesday, May 8th

Enjoy a leisurely luxury coach trip through beautiful eastern Tennessee as we make our way to the Maynardville area. We'll be visiting "The Winery at Seven Springs Farm", where we'll enjoy a tour of their family farm and wine tank room, followed by tastings of 11 wines and a wine slushy. We'll then proceed to Spout Spring Winery, where we'll enjoy lunch on their beautiful covered veranda atop a hill that affords a magnificent view of the mountains. After lunch, we'll enjoy a tour and tasting of their wines.

On our return trip to Tellico Village, we'll make a quick rest stop and get a sweet treat, hopefully ice cream!

Both of these locations are hidden gems nearly in our back yard! They are both family operations and have their own vineyards and wine-making operations.
