Class, with a Southern drawl. That's the first thing you notice about EG Kight.

With her rich vocals, well-crafted songs, and inimitable sense of humor, her stage show appeals to listeners of all ages, no matter their taste.

Kight has emerged in recent years as a preeminent voice in roots music, having received various music industry nominations, including three for Song of the Year. Her songs have appeared on four major TV networks, including NBC's "Chicago PD." And she placed five songs in a movie that is currently available on Amazon Prime.

Georgia Music Magazine sums it up – "Kight is a gentle and elegant woman who manages to channel Southern charm, sophistication and a fierce passion for music into one tremendously intoxicating voice."
