

## **“Virtual” March HOA Monthly Social We’re back! Come Join Us! March 9th, 2021 4:30PM – 5:30PM via Webinar**

Our March 9 HOA Social will be presented through a Virtual meeting (see the link below). The HOA Event Coordinators have been busy planning activities and can’t wait to share them with you! Attend and hear some great presentations plus hear about upcoming live and on-line events. You will learn about several clubs (Muddy Boots and Computer Users Club) that might pique your interest. Plus get the most recent update about Our Place. All event signups will continue to be done online via TellicoLife.

**Door prizes are back as well! But for a chance to win:**

- 1) Each attendee must be registered to win (signup below)
- 2) You must be in attendance (online) for the meeting.

You don’t have to register to attend the online meeting – just if you want to be in the drawing for the great door prizes!
