Learn how to make wonderful homemade rose petal soap. Homemade rose petal soap is filled with a subtle floral aroma that is amazing and will relax your body and mind. This craft is a great project to make and give as birthday, holiday, or any occasion where a gift is needed. It is also great for your skin. When we finish with our homemade soap project we will then move from the craft room and gather in the professional kitchen. There we will learn how to make a fabulous rose petal dessert and finally top off the afternoon by eating our rose petal project that is - the dessert not the soap!

Offered at the February and March social
