

Putting the **FIRST WOMAN & NEXT MAN** Back on the Moon

FRIDAY, MAY 10
NOON - 2:00 PM
YACHT CLUB LOWER LEVEL

If you want to know the latest updates on NASA's Artemis campaign for landing on the south pole of the moon, you won't want to miss informative presentation!

Kent Criswell, our guest speaker, currently serves as the Lead Systems Engineer for NASA's Human Landing System Program at Marshall Space Flight Center and works directly with Blue Origin. His knowledge and experience with the Artemis program will keep you glued!

OPEN TO ALL TELICO VILLAGE RESIDENTS!

MUST REGISTER ON TELICO LIFE!

LAST DAY TO REGISTER

MAY 8 - MAX 200

FREE!
