Do you love playing detective? Are you addicted to Unsolved Mysteries? Do you love it when someone else does the cooking? Well ... we have a night of fun for you, all under one roof! Things are jumping and jiving at Skinny's Speakeasy - the hottest gin joint in town! His headliner is a flapper named Lola and with her velvet voice she draws in all the fellas and a real keen crowd. Life is just a bowl of cherries til Skinny realizes one of his crew is on the griff. Before Skinny can spill the beans, he gets whacked! It's all up to the local gumshoe and YOU to figure out who done it?
