This restaurant had their grand opening on March 9th 2024. From their Facebook pictures, you can see that their chef is always creating new dishes and they have a fantastic brunch. It is a "craftbar" kitchen which is a word used for a bar with fancy food. The pictures of their cocktails look amazing.

Event Coordinator: Estefania Nance.

Jane Grethey will be the host for the evening

Email: estefania.nance@gmail.com to be put on the waiting list.
