Join your fellow HOA members for a fun morning of hiking on the new Adaptive Trail in McFee Park. On arrival, we will park in the Soccer Field lot (directly on the right after you enter the park from the roundabout). Public restrooms are available. We will walk from the soccer field area to the trailhead about  $\frac{1}{4}$  mile away. The group will continue on the Adaptive Trail. This dirt trail is wooded, about 1.75 miles in length, with a mixture of moderate hills and some rocks and roots to deal with. Upon exiting the trail we will walk approximately 0.5 miles on the lower park concrete trail to the parking lot. The hike will total approximately 2.5 miles with 175 feet of elevation gain.

After hiking, we will proceed to Lakeside Tavern, a local favorite that overlooks Fort Loudoun Lake for lunch. Following lunch, we will all return home on our own.
