*"The greatest female country singer since Patsy Cline."* Rolling Stone

Wynonna and her band The Big Noise, led by her husband/drummer/ producer, Cactus Moser, released their debut full-length album in February 2016 via Curb Records to critical acclaim. Wynonna has described the new sound as "vintage yet modern" and a "return to the well." It's a rootsy work encompassing country, Americana, blues, soul and rock. The album features special guests Derek Trucks, Jason Isbell, Susan Tedeschi and Timothy B. Schmit.

NPR's Ann Powers noted that, "With her tight band behind her after touring together for several years, she just sounds like she's home...You can just feel the grin on her face."
