Lakeshore Park and Wetlands Area, 199 Lakeshore Drive, Harriman, TN

Lunch to follow at: **Smokehouse Bar and Grill**
708 W Race St, Kingston, TN

Depart From the Poplar Springs Boat Ramp parking lot promptly @ 9:00 AM

Join your fellow HOA members for a fun morning hike at the Lakeshore Park and Wetlands Area near the Kingston Fossil Plant in Harriman, TN. This area is largely reclaimed from the 2008 coal fly ash spill at this facility in 2008. If you are unfamiliar, as amazingly most of us are, it is suggested that you may want to read the history of this environmental disaster (on Wiki or other sources) prior to the hike.

We will meet at the Poplar Springs Boat Ramp and depart at 9:00 AM. We will proceed north through Lenoir City on US321S. At-40 we will head west for 13 miles to Exit 350 toward Midtown. Turn left on TN29 and proceed for 0.2 miles. Turn left onto US70 for 0.6 miles. Turn left again onto Swan Pond Circle Rd. Proceed for 2.1 miles, then turn right to stay on Swan Pond Rd. for another 1.1 miles. Turn right onto Lakeshore Drive and proceed 0.5 miles to the parking lot and restroom area on the left.

We will walk the full 1.1-mile Lakeshore Park loop followed by a 0.7 mile out and back trail into the reclaimed wetlands area. The total hike length will be approximately 2.5 miles. This trail is 100% asphalt and is rated as easy.

After hiking, we will proceed to the Smokehouse Bar and Grill restaurant at 708 W. Race St. in Kingston, TN. To get there, simply follow Swan Pond Rd back to US 70 and turn left towards Kingston. Follow US70 across the bridge (total of 1.25 miles) and look for the restaurant on the left in a simple brick building. Signage is small and on the front of the building. This is a very casual, typical small town, bar and grill restaurant. We will all return home on our own.
