

HOA/New Villagers - Williams Creek Off Site Event

June 16, 2021

The Fazio golf team which originally designed the Williams Creek challenging par 3 course just south of downtown Knoxville have been doing a renovation of the course this spring. The Pro tells me it is on plan and the course will be ready for us for our event. It has water holes, sand traps, varying terrain, and challenging greens. They have the same Covid19 practices as our courses in Tellico, sanitizing carts, maintaining social distancing, etc.

The event will feature a 4-person scramble format on the par 3 eighteen-hole course with a lunch prior, consisting of a hotdog, chips and a soft drink. The price for 18 holes with cart including lunch is \$35 per person, payable by credit card on Tellico Life.

Lunch will begin at 11:30 with a shot gun start at 1pm. Free balls will be available to warm up at the driving range during this time as well. Starting lunch at 11:30 will allow plenty of time for players to enjoy the light lunch and maintain social distancing by eating either in the inside space or in the waiting carts. Walkers are welcome. Williams Creek has a few pull carts available for use or you can bring your own.

Prizes will be awarded to the top 3 finishing teams but there will be no gathering after the event. Prizes will be awarded at a later event when a dinner gathering is possible. Just photograph your score cards and send them to: HOAGolf@Gmail.com

Participation will be limited to the first 32 HOA & New Villager players to register so sign up early!!!! You can request your team or your HOA golf team will assign teams for you.
