

MUDDY BOOTS is now an E-LIST on *TellicoLife*

What is this?

Muddy_Boots@tellicolife.org is a group email of the literally hundreds of Village residents that want information about the monthly Muddy Boots Hikes.

Any member can initiate an email from their personal computer that, if approved by the Moderator, will go out to everyone subscribed to this group email. The moderator is Kathy Dooley.

Any reply works like a “Reply to ALL” going out to everyone in this group email. If you have a question for the Moderator or a hike leader, send them a separate email.

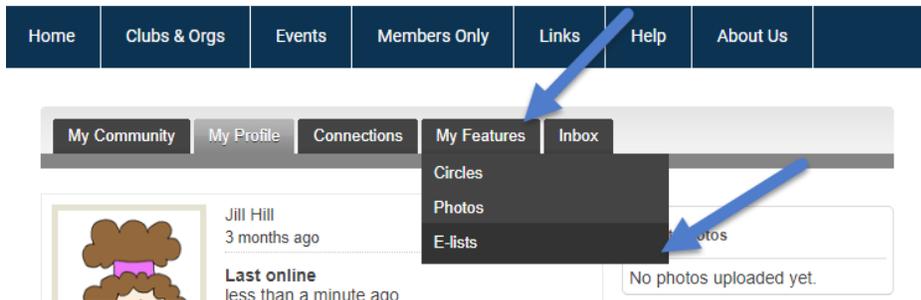

How to subscribe/unsubscribe

- Log on to TellicoLife (TL) and click the My Profile button

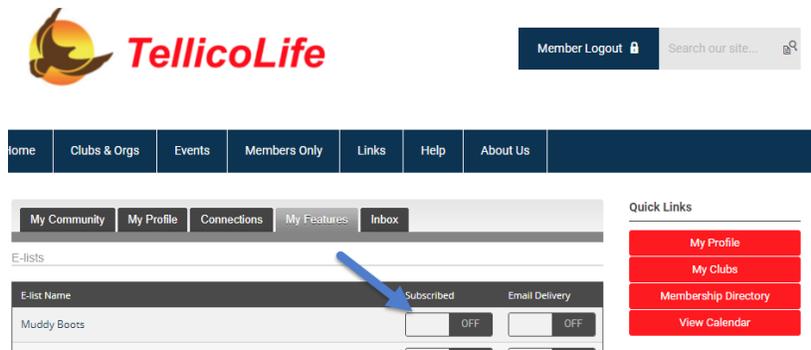

The screenshot shows the TellicoLife website. At the top left is the TellicoLife logo. To its right is a dark blue button labeled "Member Logout" with a lock icon, and a search bar labeled "Search our site..." with a magnifying glass icon. Below these is a dark blue navigation menu with buttons for "Home", "Clubs & Orgs", "Events", "Members Only", "Links", "Help", and "About Us". The main content area features a large landscape photograph of a golf course with houses in the background. Below the photo is a red banner that says "Hello Jill Hill - Welcome to *TellicoLife*". To the left of the banner is a red starburst graphic with the text "News Flash!". To the right of the banner is a text block: "By end of July, New Villagers and HOA are accepting On-Line event sign ups for 2017 events with openings. View the Calendar for events you won't want to miss!". On the right side of the page is a "Quick Links" sidebar with four red buttons: "My Profile", "My Clubs", "Membership Directory", and "View Calendar". A blue arrow points from the "My Profile" button in the sidebar to the "My Profile" button in the navigation menu.

- Then click on My Features button and then E-Lists.

- If you want to subscribe or unsubscribe to this E-List, click on the white section and you will change your current settings. Over time there maybe multiple E-Lists so make sure you select Muddy Boots.

- Once you are subscribed, click on the words Muddy Boots to see a history of muddy boots announcements. Maybe helpful if you forgot something about this month's hike.
