

FINAL RAFT OFF of '22
Friday - August 26, 2022
3:30 - 8:00

This will be our last Raft Off for 2022

So don't miss the tradition of these classic raft offs.

We've got captains volunteering their boats to help you enjoy all that Tellico Lake has to offer.

- Cost is \$10 per person (includes \$2 admin fee)
- No Refunds
- Meeting location is determined by your boat captain so look for an email with meeting instructions
- Last Day to Sign Up is Wednesday August 17, 2022

- All you have to bring are your towels, sunscreen, your own beverages and snacks and your own floats or noodles. The water will be nice and warm.
- Once you sign up, you will be sent directions where to meet your boat. Your captain will take you to a cove on the lake where we will raft-off. Once we are all tied up, it's time to jump in the water. We will spend an hour or two floating around meeting each other. Then, its back on the boat and back to your boarding dock.
- Maximum number of people is 100.
- If full when signing up, email event coordinator to be put on the waitlist.
