The Department of Energy (DOE) Public Bus Tour is a one-of-a-kind tour that visits the three primary sites of the Manhattan Project in Oak Ridge, TN. Each tour includes two guides to help share the unique scientific history of the Secret City with visits to the Y-12 New Hope Center, (The facility houses the spacious History Center featuring displays about the Manhattan Project, the Cold War, and other Y-12 missions), ORNL's historic Graphite Reactor (A national historic landmark it served as the pilot project that led to the first production of plutonium. Visitors will view the world's oldest nuclear reactor), and the K-25 History Center (learn about the gaseous diffusion process that enriched uranium (later sent to Y-12 for further enrichment) to power the first atomic bomb). Tour guides provide historical narrative along with information about current activities related to research and development, national security, and environmental clean-up. Guests returned to AMSE by 12:30 and have admission to the museum for the rest of the business day.

Maximum 14 people

Thank you for your cooperation.

Oak Ridge Reservation (ORR) Vaccination Information

On Monday, July 11th, 2022, the Department of Energy updated their Covid-19/Guest policy to reflect new guidelines and safety restrictions. Prior to the purchase of any ticket every guest will be required to respond by marking an option from the list below.

I am fully vaccinated. Individuals are considered "fully vaccinated" two weeks after completing the second dose of a two-dose COVID-19 vaccine (e.g., Pfizer or Moderna) or two weeks after receiving a single dose of a one-dose vaccine (e.g., Johnson & Johnson/Janssen).

I am "up-to-date" with my vaccination(s). Individuals are considered "up-to-date" if they have received all recommended COVID-19 vaccines, including a booster dose when eligible.

I will present a negative Covid-19 test within 72 hours of the tour beginning. Vaccination status disclosure negated. Guests unable to present a negative result will be refused entry.

I have not been vaccinated, I am partially vaccinated, or I do not wish to disclose vaccination status. If you are not fully vaccinated or if you do not wish to disclose your vaccination status, you will be treated as "not fully vaccinated" and will forfeit their participation on the tour at this time.

Each guest will receive a document upon arrival at AMSE to fill out as per The Dept. of Energy's requirement. This document will need to be carried while on the Oak Ridge Reservation. We appreciate your understanding as we work through this process.
