Kahite Boat Ramp

Length: 8 Miles

Type: Shuttle

Rated: Possibly strenuous
depending on wind and current conditions

This is an eight mile paddle beginning at the Kahite boat launch. We'll take Fourmile Creek out of Kahite, then turn right onto the Tellico River, where we will traverse some of the most beautiful mountainous and wild scenery in the area. We will take out at Ball Play boat ramp. The paddle is somewhat strenuous since we will be in open water, paddling upstream, and could experience some significant current.

We will meet in Sloan's parking lot at 8:00 am. Be sure to bring water and a snack.

This will be a shuttle, meaning we will position vehicles at both Kahite and Ball Play. Please reply to either Tom Schemberger or Tom Ringenbach if you plan to join us. Please include the number of people and kayaks you are bringing, so we can begin planning for the shuttle ahead of our outing date.
