Fort Loudon Boat Ramp

Length: 5 Miles

Type: Out/Back

Rated: Easy

The Soggy Bottoms Kayak Club invites you to join us in a leisurely 4.5 to 5 mile paddle around Fort Loudoun State Park Island in Vonore, TN, on Wednesday, July 28. This refreshing paddle features nice views of mountains and the protected "great island". We will enter the water at the state park's kayak launch area near the swimming area on your left just before the parking area. Please plan to arrive at the park by 8:30 am so that everyone can be on the water by 9:00. We should easily complete the paddle by 11:30 -- just in time to stop for lunch at the Pizzeria Venti in Vonore. Sun block and water is strongly recommended.

If you don't have a kayak, you may want to rent one at the state park. Just call ahead for info about rates and availability (423-420-2331).
