

**The Public Library at Tellico Village
will be re-opening on
Tuesday, February 16.**

Masks will be **required** for everybody entering the building.

We will still be offering bench-side pick-up for those who prefer to get their materials this way.

Donations for our book sales

can be dropped off in the bin located in the library vestibule.

If you have more than two boxes of donated books, please call Judy Groom at 865-408-9194 to schedule a time for delivering the boxes to our annex.
