

*A Legacy for Better Lives*

The Tellico Community Foundation (TCF), a community fund of the East Tennessee Foundation, supports local nonprofit organizations that improve the lives of children and seniors in Loudon and Monroe Counties.

TCF proudly supports the Tellico Community Playhouse **Prime Time Players** as they promote literacy through theater and storytelling.

Each year the troupe presents entertaining and educational performances for elementary students in Loudon and Monroe Counties. With support from the Tellico Community Foundation, schools also receive books connected to the performances, helping inspire a lifelong love of reading.
