A GIFT TO REMEMBER

December 1 - 4 and December 8 - 11

Tickets go on sale October 31

During a snowstorm on Christmas Eve, a group of strangers are on a train to Boston from Bangor, Maine, where the airport had been shut down due to the weather.

Once they reach Boston, many of the passengers hope to make connections to various destinations across the United States. However, the train develops engine trouble and there are track problems ahead. The passengers are forced to disembark and take shelter in a small depot in New Hampshire. As the former strangers become collective friends, through patience, understanding and humor, they realize the memory of this night will be a gift to remember.
