Our new guest information meeting, [Starting Point](#), is held on the second Sunday of each month after the 10:15 service. Come meet our pastors, hear our message and ask any questions you may have. We will welcome you with smiles, coffee and fresh donut holes.

We are unique and a special place to worship

At our roots we are an interdenominational community church. This means that we do not rid ourselves of the denominational heritage brought by our members. Rather, we embrace and celebrate them. Methodists, Baptists, Episcopalians, Presbyterians, Lutherans, Catholics, Congregationalists, Reformed Church, etc. have many good gifts to share, and much to learn from each other. This approach also enables us to produce a more powerful Christian mission to the community and the larger world. Together, we are able to do much more than as individuals.

"The Community Church is a place where I can go to be at peace, enjoy fellowship, grow spiritually, and just be myself. We help each other at church and we reach out to the community to those in need. It's all part of doing the work of the Lord."

Our missions impact our community and the world

Our church members volunteer thousands of hours at various local charitable organizations and provide support to assist people throughout the world. We are a community church dedicated to serving the needs of the surrounding area. We accomplish this through partnering with several local non-profit organizations (such as Habitat for Humanity, KARM, CAC, etc.), providing scholarships to local students to massive food drives and [many more organizations](#) .
